Notice of Company Name Change of UK Subsidiary

This is to inform you that our UK subsidiary, JAPAN MARINE UNITED EUROPE LIMITED (Location: London, thereafter “JMUEL”) has changed its name to NIHON SHIPYARD UK LTD.

JMUEL has long been working for Japan Marine United Corporation (thereafter “JMU”) as its UK subsidiary for marketing newbuilding ships. Since Nihon Shipyard Co., Ltd. (thereafter “NSY”) was established as a joint venture between Imabari Shipbuilding Co., Ltd. and JMU in January 2021, JMUEL has been working for NSY.

After one year has passed since NSY was established, we have recently set up NSY Athens Office, and in order to further strengthen the presence of NSY and appeal NSY brand to overseas customers under the current challenging shipbuilding market, we have decided to change the name of JMUEL to NIHON SHIPYARD UK LTD.
